

R Refresher

Part of the Data Science and Programming Summer Workshop Series

July 17, 2018

- **Materials for this workshop** are here:
https://github.com/kaars/R_Refresher_July_2018
- **Instructions for downloading** workshop materials from GitHub:
<https://sites.northwestern.edu/summerworkshops/resources/downloading-from-github/>
- Summer Workshop Series website:
<https://sites.northwestern.edu/summerworkshops>
- In addition to those included with base R, we will also be using the following **packages** in this workshop:
 - readxl
 - dplyr
 - gapminder
- **References, tutorials, and cheat sheets** related to today's workshop can be found here:
https://github.com/kaars/R_Refresher_July_2018/blob/master/References_and_Tutorials.md
